“ Internship Course was very informative. I had a great learning experience from this course. Interacting with expert and having my doubts clarified was useful

★★★★★

Swathi Potla
2nd Year Student Osmania University-
PG, College Of Law, Hyderabad

“ The course on how to get Internships was an awesome experience. It was really informative and I feel really happy that i learnt this course.

★★★★★

Karthik Baburaj
3rd Year Student Amrita College Of Arts
& Science, Kollam

“ This course on how to get internships was enriching. The best part is that i got so much of industry relevant information and experience, that is generally not a part of engineering course. Hats off to Twenty19

★★★★★

Gairik Ray
2nd Year Student Government College
Of Engineering And Leather Technology
, Kolkata
